A BUSINESS LEADER'S GUIDE TO CREATING A CYBER-AWARE WORKFORCE

TRANSFORM YOUR WORKFORCE INTO YOUR STRONGEST DEFENSE. FOLLOW THESE SIMPLE AND EFFECTIVE STEPS:

EMPOWER YOUR EMPLOYEES

- Invest in regular cybersecurity training.
- Conduct phishing simulations to test awareness.
- Encourage a culture of security awareness.

LEAD BY EXAMPLE

- Integrate cybersecurity into company values.
- Set clear expectations and accountability.
- Promote a culture of open communication.

STAY VIGILANT

- Review and update your cybersecurity policies regularly.
- Stay informed about the latest cyberthreats.
- Partner with a trusted IT security provider.
